Small Prices With Guarded Quality

We have a standard, which is Quality. No matter what the cost, every article must measure up to this standard or not be handled.

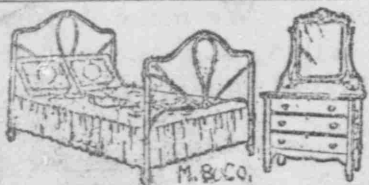

Mrs. Prospective Housekeeper, you want to bear this in mind. Don't, for economy sake, furnish your apartment with furnishings of inferior grade. You are not saving, you are wasting money.

Look around, then come to us and get dependable Furniture and Floor Coverings reasonably priced. No necessity for cramping yourself by a great outlay of cash. Have us "charge" your purchase and arrange terms of payment to suit your convenience.
